

VESTIBULE

RDC - 01

Entrée et terminal

The floor plan for the Vestibule (RDC-01) is a rectangular room with a grid background. A semi-circular door is located at the bottom center. On the left side, there is a small rectangular table and two circular chairs. At the top, there is a row of five circular chairs.

SALON

RDC - 02

Fauteuils et cheminée

The floor plan for the Salon (RDC-02) is a rectangular room with a grid background. A semi-circular door is located at the bottom center. In the center of the room is a circular coffee table. At the bottom, there is a large rectangular sofa. At the top, there is a rectangular fireplace.

SALLE À MANGER

RDC - 03

Grande table

The floor plan for the Salle à Manger (RDC-03) is a rectangular room with a grid background. A semi-circular door is located at the bottom center. In the center of the room is a large square table. Six circular chairs are arranged around the table: two on the left, two on the right, and one at the top.

CUISINE

RDC - 04

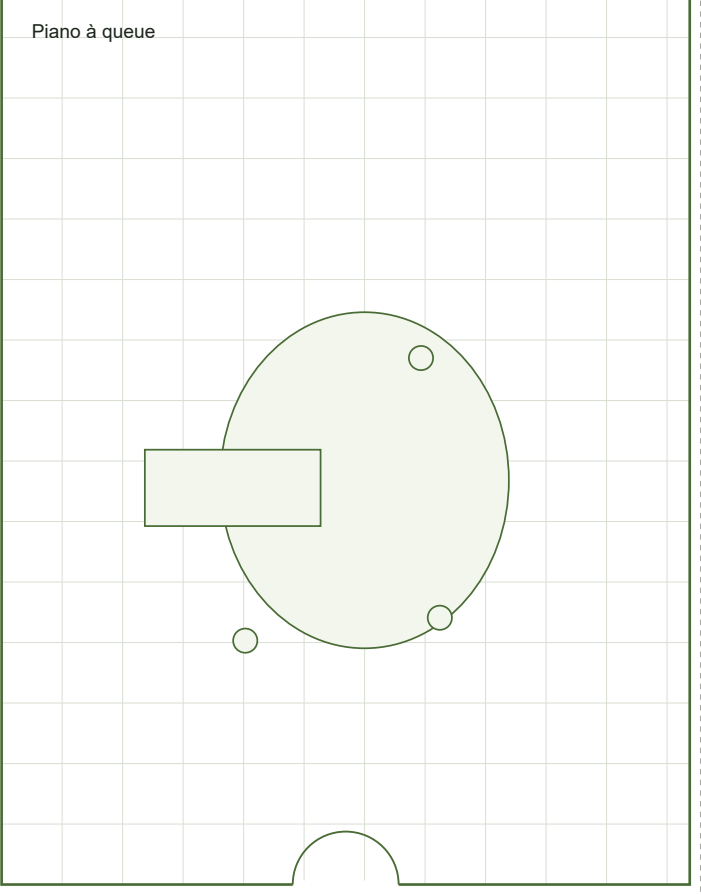

Plans de travail

The floor plan for the Cuisine (RDC-04) is a rectangular room with a grid background. A semi-circular door is located at the bottom center. There is an L-shaped countertop on the left side. On the right side, there is a small square table.

SALON DE MUSIQUE

RDC-05

Piano à queue

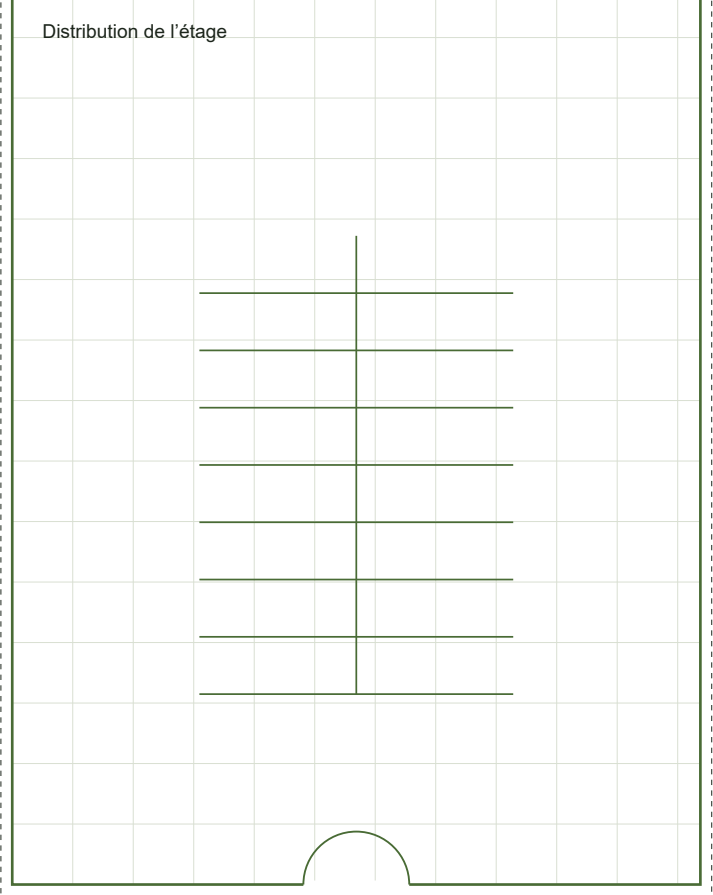

The floor plan for the Music Salon (RDC-05) is set on a grid. It features a large circle in the center, a rectangular area to its left, and a semi-circular area at the bottom. There are four small circles: one on the top right of the large circle, one on the bottom left, one on the bottom right, and one on the left side of the rectangle.

PALIER ET ESCALIER

ETG-01

Distribution de l'étage

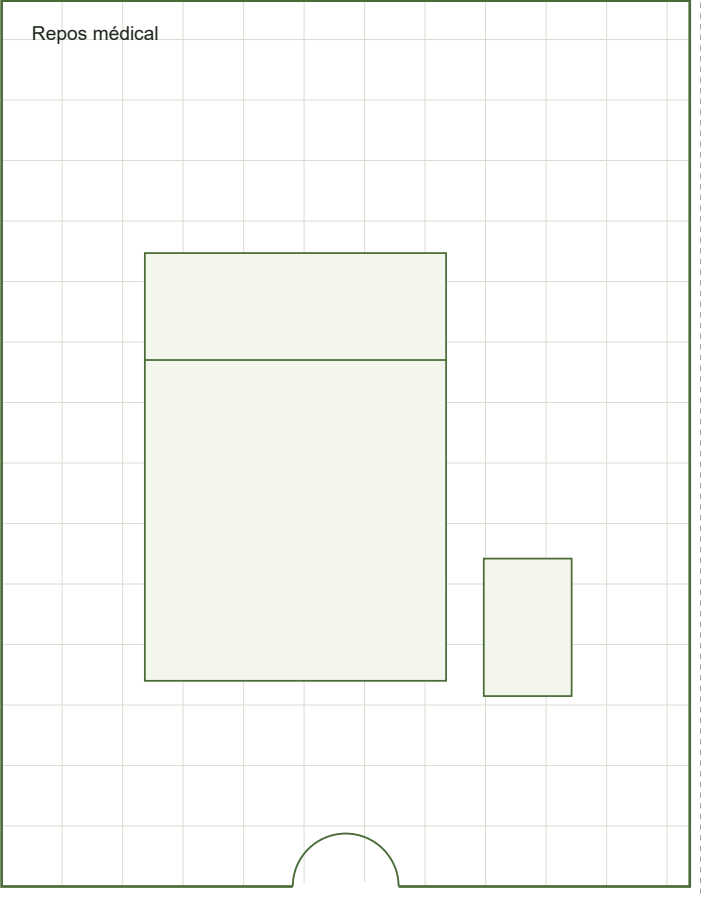

The floor plan for the Staircase and Landing (ETG-01) is set on a grid. It features a staircase with a vertical line and horizontal steps. There is a semi-circular area at the bottom.

CHAMBRE D'EVELYN

ETG-02

Repos médical

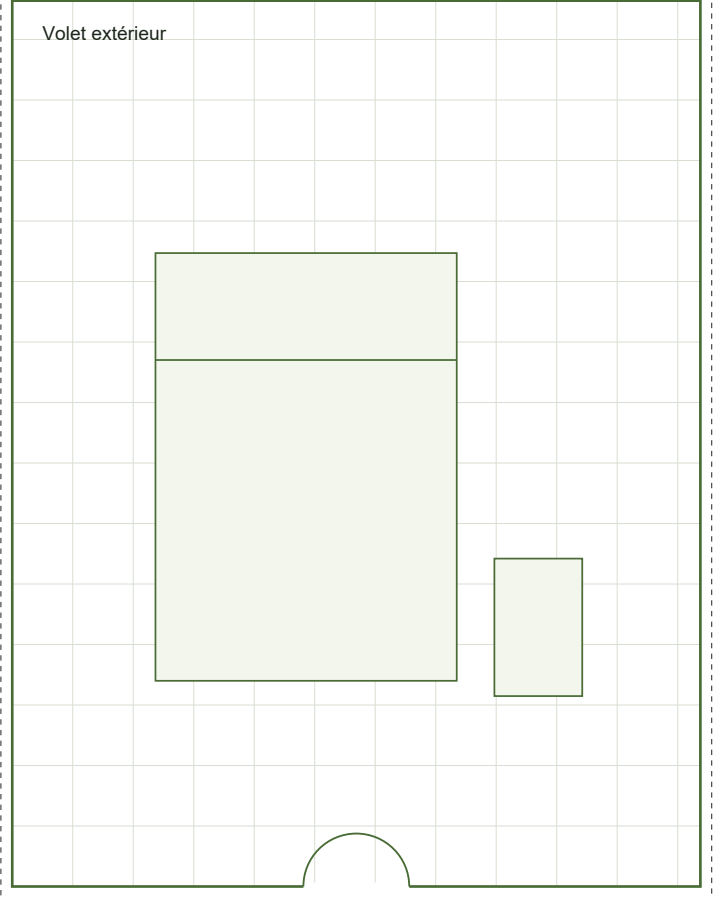

The floor plan for Evelyn's Room (ETG-02) is set on a grid. It features a large rectangular area on the left, a smaller rectangular area on the right, and a semi-circular area at the bottom.

CHAMBRE DE RICHARD

ETG-03

Volet extérieur

The floor plan for Richard's Room (ETG-03) is set on a grid. It features a large rectangular area on the left, a smaller rectangular area on the right, and a semi-circular area at the bottom.

BUREAU DE CLAIRE

ETG-04

Bureau technique

This floor plan for the 'Bureau technique' (ETG-04) is set on a grid. It features a vertical rectangular structure on the left and a horizontal rectangular structure extending to the right from its top. A small circle is positioned below the horizontal structure. A semi-circular entrance is located at the bottom center of the plan.

SUITE DE MARA

ETG-05

Chambre privée

This floor plan for the 'Chambre privée' (ETG-05) is set on a grid. It consists of a large rectangular structure on the left and a smaller rectangular structure to its right. A semi-circular entrance is located at the bottom center of the plan.

CAVE ET GÉNÉRATEUR

SS-01

Installation électrique

This floor plan for the 'Installation électrique' (SS-01) is set on a grid. It features a large square structure in the center, which contains three circles arranged horizontally. A horizontal line is positioned above the square. A semi-circular entrance is located at the bottom center of the plan.

MAINTENANCE

SS-02

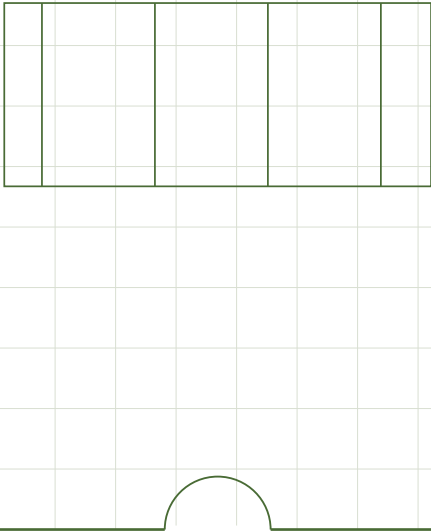

Atelier de service

This floor plan for the 'Atelier de service' (SS-02) is set on a grid. It shows four small rectangular structures arranged in a horizontal row in the upper middle section. Below them is a larger rectangular structure. A semi-circular entrance is located at the bottom center of the plan.
